Re: Patel v. Garland, et al  
2:23-cv-05324-DCN

Dear Clerk:

Review of the district court docket discloses that the district court is considering a post-judgment motion which, under Fed. R. App. P. 4(a)(4), has the effect of tolling the period in which to file a notice of appeal. A notice of appeal filed after entry of judgment but before disposition of such a motion becomes effective upon entry of an order disposing of the last such motion.

This court will treat the notice of appeal as filed as of the date the district court disposes of such motion and will docket the appeal following disposition of the motion. Please notify this court upon entry of an order disposing of the motion.

If a party wishes to appeal the district court's disposition of the motion, a notice of appeal or amended notice of appeal must be filed within the time prescribed for appeal, measured from entry of the order disposing of the last such motion.

Yours truly,

*/s/ C. Bennett*
